EXPERIENCE THE BENEFITS OF A HEAVENLY SPA BY WESTIN™

SPA HELANI
A Heavenly Spa by Westin™ provides authentic and memorable experiences inspired by our island home. We believe that much of the value of the spa experience comes not only from the facilities, treatments and products, but from having the time and space for silence, separation from technology and personal reflection and contemplation. Throughout the spa experience, we strive to engage each guest across seven senses: the five physical senses of sight, sound, touch, taste and scent, as well as the psychological senses of emotion and meaning.

COMFORT & CONSIDERATIONS
Your comfort is important to us, so please ensure that we are made aware of any therapist preferences, health concerns or product sensitivities you may have at the time of reservation. All of our licensed therapists are professionally trained to provide you with a calm and peaceful experience that is customized to your health and wellness needs.

For optimal serenity, all treatment rooms are located on the second level of Spa Helani, reached by a short staircase. Guests who are unable to make this climb may request elevator access. Please be prompt in your arrival as all appointments will end on time and be charged in full, regardless of late arrival.

SPA FACILITIES
We encourage you to arrive 30 minutes prior to your scheduled appointment time to enjoy our steam room, rain showers and relaxation lounge. A locker, plush robe and slippers will be provided at the time of your arrival. We respectfully ask that you leave cellphones turned off to ensure the tranquility of our spa environment for all guests. Additionally, please deposit all valuables in your room safe, as we are not responsible for lost or misplaced items.

CANCELLATION POLICY
Please notify Spa Helani 24 hours prior to your scheduled appointment should you need to change or cancel your reservation to avoid being charged for scheduled services. Group bookings require a seven-day advance notice for cancellations or changes.

SERVICE CHARGE
For your convenience, a 20% service charge will be added to the cost of your services. This provides a 16% gratuity for your technician and 1% gratuity for the support staff. This service charge is adjustable based on your satisfaction with services received and additional gratuities for your provider may be left at your discretion.

AGE LIMITATIONS
Guests ages 12 to 17 are welcome to enjoy full services when accompanied by a parent or guardian.

EXPECTANT MOTHERS
Please advise at the time of reservation if you are pregnant and we will guide you to services that will be most beneficial during the different stages of pregnancy. For your comfort we provide facials in the first twelve weeks of pregnancy. Massage is available for expectant mothers of thirteen weeks or longer.
